Why Us?

Active Travel Camp was founded by seasoned travel industry experts who share a deep belief in the importance of adventure, both in life and as an integral part of education. Together, they've crafted itineraries rooted in the idea that outdoor activities are key to nurturing well-rounded, confident kids who learn to tackle life's challenges with creativity and resilience—all while having a great time. This program's prioritises family fun and adventure, creating memorable experiences that bring families closer through shared exploration and excitement.

Why The Ardeche?

The Ardèche region in France is an ideal choice for a family adventure holiday, offering a mix of stunning natural landscapes and thrilling activities. Known for its dramatic gorges, crystal-clear rivers, and the iconic Pont d'Arc, a natural stone archway, the area provides a perfect backdrop for canoeing, hiking, and swimming that the whole family can enjoy. Rich with outdoor trails and ancient caves like the world-renowned Chauvet Cave, Ardèche combines nature's beauty with cultural history, giving families the chance to explore, learn, and connect in a truly breathtaking setting.
